

IAH-SA VIRTUAL CONFERENCE

"Current and recent groundwater research in Southern Africa"

13 to 15 September 2022

SPONSORSHIP OPTIONS

Companies and institutions are invited to sponsor various aspects of the virtual Conference. For more detailed information regarding the options below please contact the Organisers: Conferences et al: email deidre@iafrica.com.

The IAH-SA is pleased to announce a 3-day Virtual Conference where all current and very recently completed research in the field of hydrogeology is going to be presented. All the academic institutions across Southern Africa, who are involved with groundwater research, will be represented. The objective is really to ensure there is communication across all those involved In Groundwater research and to ensure there is cross pollination of ideas and sharing of challenges and advances.

It's also a critical opportunity for those in consulting; the groundwater industry and local and national government to learn from what is being researched and to give critical input into research direction, ensuring we are at the global forefront of groundwater research. This event also enables international participation both to learn from what is currently being accomplished and to assist Southern Africa in ensuring our research is leading edge. We keenly look forward to your support and participation.
